

Loyalist Day in New Brunswick 18 May 2023

Information contributed by Angela Donovan UE, New Brunswick Branch, UELAC

There was great attendance at the Loyalist Flag Raising event held on May 18th, Saint John NB to recognize the 240th Anniversary of the landing of the Loyalists. It was also Saint John's 238th birthday, having been incorporated in 1785.

The Queen Anne Flag was also raised at the New Brunswick Legislature in Fredericton NB and Fredericton City Hall.

In attendance for Saint John was the "Town Crier" John Watson; Councillor Greg Stewart who spoke on behalf of the Mayor; Councillor Barry Ogden; Councillor David Hickey and Delancey's Brigade. Various city employees and NB Branch members were in attendance as well. It was nice to see members of New Brunswick Branch UELAC who came from the State of Maine and dressed in period clothing.

A dinner was held at the Union Club that evening where we were entertained by the InterAction Performing Arts.
